

The history and a future for hydraulic testing

www.tiab.co.uk

Objectives of the presentation

- A brief history of hydraulic testing – main milestones
- What we have today – and why
- Why and how we need to change

The logo for fiab LIMITED features the word "fiab" in a stylized, lowercase, blue-to-purple gradient script font. Below it, the word "LIMITED" is written in a smaller, dark blue, uppercase, sans-serif font. A large, thick, blue-to-purple gradient swoosh curves under the text from the left side, extending towards the right.
