

The floor plan of Hall 10 is a large rectangular space with a central green area labeled "VISITOR RELAXATION AREA". At the top left, there is a "BISTRO / SNACK BAR". At the top right, there is a "TECHNOLOGY DEMONSTRATION AREA". The main exhibition area is filled with numerous booths, each labeled with a number and the name of the exhibitor. The booths are arranged in a grid-like pattern, with some larger booths and some smaller ones. The entrance is marked with two large arrows at the bottom, pointing towards the center of the hall. The overall layout is well-organized, with clear pathways and designated areas for different types of activities.

Booths and Exhibitors (Top to Bottom):
